COAST ELECTRIC HOLDS ANNUAL EMPLOYEES PICNIC

Coast Electric employees, their families, directors and guests gathered again this year on Labor Day at the Star Route Farm to enjoy a family picnic.

Supplementing the Association's Safety Program, the family picnic is fast becoming a tradition with Coast Electric—this marking the fourth such annual affair.

Mr. H. H. Shattuck, Manager of Coast Electric made a brief talk in which he sketched the history of the REA program nationally, State-wide and locally.

He pointed out that more than 25,000 persons lived and/or worked with electric service provided by Coast Electric, that Coast Electric's payroll now was in excess of \$4 million dollars per year. The value of the facilities exceeds \$4 million and the members have an equity in excess of \$1 million.

Mr. Shattuck reviewed the territorial disputes now facing two rural electric systems in Mississippi and pointed out that as municipalities expand, efforts to "take over" service areas would probably result in prolonged litigation that would go to the Supreme Court.

A continued safety program was emphasized and called a "must" by Mr. Shattuck.

Out of town guests included Chick Stovall, Safety and Job Training Supervisor from Mississippi State University. Chick is well known to this group, having worked closely with them for a number of years developing their safety consciousness. He spoke a few words in the furtherance of the program and in appreciation for the cooperation he has received. His efforts have been more than an inspiration to all.

More than 165 persons were in attendance and enjoyed a full day of swimming, games and other planned amusement and entertainment. A delectable lunch of fried chicken and all the trimmings was served, with refreshments throughout the day.

Attendance prizes and employee drawings for prizes were among the highlights.

Conservation Reserve Payments To Be Made After October 3rd.

The annual payments due Hancock county farmers who have conservation reserve contracts will be made beginning October 3, according to Tommy R. Shaw, Chairman of the Hancock County Agricultural Stabilization and Conservation Committee. Mr. Shaw made the announcement in response to numerous questions about the time when payments would be made.

Since the growing season is generally over by October 1 and compliance with the conservation reserve contracts has been checked, annual payments are made after that date. Checking farms with contracts is necessary for the designated cropland out of production during the life of the contract. Designated land may not be grazed or a crop harvested from it. Hancock County farmers have 9 contracts in force covering 948 acres of cropland.

Sheriff Gerald Price, Sr. To Arrest Anyone Caught Racing In Hot Rods

Sheriff Gerald V. Price, Sr. issued a warning this week that his officers will continue to arrest anyone caught racing in hot rods, racing their cars without the mufflers or "Hollywood" mufflers or for the violation of any other traffic law.

Mr. Price said anyone arrested for such violations will be fined for the first offense, jailed for the second, and if arrested a third time for the same violation, will have their driver's license revoked.

The Sheriff further stated that he is planning on a discussion this week with City Officials and the District Attorney for enforcement of a curfew for children under 18 years of age. He feels the enforcement of a curfew would help eliminate some of these violations, he concluded.

Property damage, but no personal injury, was suffered in a traffic accident Saturday night about 11 o'clock.

Deputy Sheriff Coleman said Russell S. Smith of New Orleans, driving a 1959 Plymouth south on Nicholson Avenue, apparently failed to realize that he was at the end of the road in time to negotiate a turn and struck the concrete abutment to the seawall.

The Industrial Committee of the Bay St. Louis Jaycees in a lengthy letter to the Board of Supervisors of Hancock County, have offered to assist the Hancock County Advisory committee in promoting the industrial development of Hancock County.

In a comparison with various counties throughout the state Jackson county in particular it has been pointed out that Jackson County, with far less resources than Hancock County, is producing manufactured products to the total of 67 million dollars per year to practically nothing for Hancock County.

They further state, that "it is not the natural resources and facilities available, but only that we have not pooled our resources, knowledge and ability to attain the industries we need."

It was decided by the Jaycees committee that the best method of approach to the problem was to request the Board of Supervisors to unofficially appoint a member from each beat to represent his beat in an advisory capacity on the Jaycee committee.

The Board of Supervisors thereby appointed the following persons as a temporary unofficial Hancock County Industrial Advisory Committee to work with the Bay St. Louis Jaycees.

Beat 1, Forest Summers; Beat 2, Hubert Thigpen; Beat 3, Troy Smith; Beat 4, C. R. Knollen; Beat 5, Dr. A. K. Martinovich, Jr.

These committees, jointly will devote their efforts to the industrial and economic development of Hancock County.

A meeting to further study this industrial development program is scheduled for September 15th with the Board of Supervisors.

Colmer Welcomes Liberals To The States' Rights Fold

Washington, D. C.—The House of Representatives was treated last week to the rare sight of veteran Congressman Wm. M. Colmer, (D.-N.J.), taking the time to join New Jersey and New York liberals in the cause of States' rights. Colmer's speech was prompted by a telegram he had received from Governor Nelson A. Rockefeller and the ex-Governors of the State of New York W. Averell Harriman, Thomas E. Dewey, and Herbert H. Lehman, protesting the action of the House Judiciary Committee in citing these officials of the New York Port Authority for contempt of Congress for failure to furnish information it had demanded. Governor Meyner and various liberal congressmen from New Jersey had joined in the protest.

"From The Terrace" Opens At The Star Theatre This Saturday

"From The Terrace" produced and directed by Mark Robson in CinemaScope and DeLuxe Color, from John O'Hara's best selling novel and starring Paul Newman, and Joanne Woodward, with Ina Balin and Myrna Loy, Twentieth Century-Fox release opens Saturday Through Wednesday at the Star Theatre.

As a study in depth of the conflict and interplay of human emotions, O'Hara's monumental literary work becomes one of the most important pictures to reach the screen in 1960.

As a motion picture it benefits exceedingly from the direction and production given it by one of moviemaking's ablest and most perceptive story-tellers, Mark Robson; from the taut and well written screenplay under the supervision of Ernest Lehman, and from the cinematic artistry of Lee Tover and Sam Leavitt.

The picture is a noteworthy and commendable performance on all counts. Paul Newman and Joanne Woodward, the star-studded husband-wife team turn in a magnificent job as the ill-fated married couple in the film. Ina Balin, a relative newcomer to the screen is featured as the third leg of the romantic triangle. Myrna Loy is excellent as Newman's dipsomaniac mother.

Naman-Blaise Marriage Solemnized Here Sunday

Our Lady of the Gulf Catholic Church was the setting Sunday afternoon for the wedding of Miss Marsha Ann Blaise, daughter of Mr. and Mrs. Edmund A. Blaise, of Bay St. Louis and Dr. Louis James Naman, son of Mrs. George Naman and the late Mr. Naman of Mobile, Ala.

The Rev. Michael Kelly performed the double ring ceremony before an altar banked with arrangements of Killen daisies. Palms decorated the sanctuary and white satin bows trimmed with lilies-of-the-valley designated the pews for the family.

Professor Joseph Hemmersbach played a program of nuptial music before and during the ceremony. Miss Cecelia Zoghy and her brother Kateel Zoghy, cousins of the groom, sang "On This Day O Beautiful Mother", Panis Angelicus and Sanctissima.

Given in marriage by her father, the bride wore a gown of white silk organza and Chantilly lace. The bouffant skirt featured an apron effect of lace in the front which continued to the back of the skirt and fell into a train. Appliques of lace were used throughout the skirt. The fitted bodice was fashioned with a scalloped neckline of lace embroidered in seed pearls and short sleeves. Her veil of imported illusion fell from a small cap of seed pearls and iridescent sequins and she carried

a cascade bouquet of white rose buds centered with a white orchid. Mrs. Alfred Henderson of Violet, La., aunt of the bride, was matron of honor. A shirred cummerbund with a double rose of the organza trimmed the waistline. They wore matching satin slippers and carried cascade bouquets of yellow Fuji chrysanthemums and English ivy. Their headpieces were bows of coral organza with a circular veil.

Miss Elaine Blaise, sister of the bride, was junior bridesmaid. She wore a floor length dress of shaded coral organza and carried a bouquet of yellow Fuji chrysanthemums. The mother of the groom chose a taupe dress, Navy accessories and a white orchid corsage. Mrs. Ashley Henderson, grandmother of the bride who assisted in receiving wore a blue organza sheath, matching accessories and a fleur d'amour shoulder bouquet.

The bride's table, covered with a handmade lace cloth, held a four-tiered wedding cake topped with a miniature bride and groom, encircled with white tapers on either side.

After the bride and groom cut the first slice of cake it was served by her cousin, Miss Udeff Favre. Tea girls were Miss Brenda and Sandra Favre and Bernadette Lind.

Miss Barbara Shippey presided at the bride's register. For traveling the bride chose a French blue silk suit, small hat of blue velvet grapes with matching veil and patent accessories. She wore the orchid from her bouquet.
